

PENNSYLVANIA HOUSE OF REPRESENTATIVES STATE REP. MARK M. GILLEN

SERVING THE 128TH LEGISLATIVE DISTRICT

WINTER 2023

Dear Friends,

Since 2011, it has been both an honor and a privilege to serve residents across the 128th Legislative District. I deeply value and appreciate your continued support and trust, which motivate and inspire me to ensure that your voices are heard when I represent you at the state Capitol.

As a state representative and a Chairman of the House Veterans Affairs and Emergency Preparedness Committee, my ongoing priorities include serving our veterans and military, eliminating wasteful spending, reducing the size of state government and continuing the fight to eliminate property taxes. Please take a moment to peruse my newsletter to learn more about some of the things that I have been doing and what specific services my office can provide.

As always, my staff and I are here to help you. Please reach out to us by email, phone or through my website. We look forward to assisting you with any state government-related request. Meanwhile, I will continue to craft and support important legislation that will contribute to and build upon Pennsylvania's success.

Sincerely,

Mark M. Gillen

State Rep.

Medal of Honor Award & Veterans Breakfast

To commemorate Veterans Day, I had the privilege of participating in the Medal of Honor ceremony held at the state Capitol in Harrisburg. I also had the fantastic opportunity to meet Medal of Honor recipient, Staff Sgt. David Ballavia. My recent Veterans Breakfast was a great time with many veterans from different generations in attendance.

Homeschool Students Visit Capitol

I enjoyed meeting our local homeschool students at the State Capitol. I am always happy to speak to future leaders about the history of our Capitol building and the work we do here as legislators.

Firefighters Museum and Urban Search & Rescue Vehicle

As a Chairman of the House Veterans Affairs and Emergency Preparedness Committee, I always enjoy learning more about the history of our men and women in uniform including firefighters and other first responders. It was also a great opportunity to see some of the latest and most modern equipment they employ to keep our communities safe.
